Good afternoon,

Here are a few things we wanted you to know about:

Marine Safety and Operations

Learn about Marine Safety and Operations taken into consideration on the Gordie Howe International Bridge project in our latest video featuring Bradley Babcock - Canadian Safety Lead with Bridging North America.

Annual Research Partnership

A University of Windsor engineering student is one step closer to graduation after completing her thesis on advanced tolling systems related to the Gordie Howe International Bridge project. The research was supported by the Annual Research Partnership, an initiative of the project's Community Benefits Plan. Read more [here](#).

Innovation Station: Engineering Your Life 2022

On Saturday, October 1, 2022, the Gordie Howe International Bridge project team hosted a table at Devonshire Mall in Windsor for Innovation Station: Engineering Your Life 2022 hosted by the Professional Engineers of Ontario Windsor-Essex chapter. The team was happy to interact with event attendees and provide project information.

New Canadian Bridge Site Gallery

We've posted a new gallery of the Canadian bridge site on the Gordie Howe International Bridge project [website](#). Another new Canadian gallery will be posted next week.

Community Offices Now Open
