Michigan Interchange I-75 Closures

As construction of the Michigan Interchange begins, Bridging North America will temporarily implement partial closures on the following streets for construction activities:

- All lanes on the southbound Service Drive will close between Green Street and Govin Street, beginning Tuesday, February 11, 2020. The closure will be in place for approximately eight months to accommodate for excavation, freeway widening and ramp/embankment construction. Access to Springwells Street businesses and adjacent residential roadways will be available via Green Street to W. Lafayette Blvd and from Springwells Street southbound.

West End Street

- West End Street will be closed between Fort Street and Melville Street until May 17, 2021. Local traffic will have access to West End Street between Norfolk Southern Railroad to Melville Street.

Fort Street

- Traffic on Fort Street between northbound I-75 Service Drive and Central Avenue will be reduced to one lane in each direction for westbound and eastbound traffic until May 17, 2021.

Springwells Court

- The southbound Springwells Court right shoulder between the Aggregate Drive and 300 feet north of it will remain closed until May 3, 2021.

Post Street

- Post Street will close over a long-term period between CSX Railroad and the Delray Mechanical entrance starting at 8 a.m. on February 1, 2021..
