Michigan Interchange I-75 Closures

EMERGENCY DETOUR ALERT: Bridging North America has implemented a new detour on Woodmere Street in response to the emergency closure of the Fort Street and Dearborn Street intersection.

- Northbound motorists heading toward Springwells Street northbound will be detoured to Fort Street eastbound/Melville Street eastbound, south on Green Street southbound, west on Jefferson Avenue westbound, north on Dearborn Street northbound, north on Woodmere Street, east on Vernor Highway eastbound, and then Springwells Street.

I-75 Service Drive - **NEW**

- Northbound and southbound I-75 Service Drive will close over a long-term period between Green Street and Waterman Street.
- This closure, combined with the pre-existing Service Drive closures in the area, makes the entire northbound and southbound Service Drive closed from Springwells Street to Clark Street.
- Southbound I-75 traffic will be detoured north onto Clark Street, west onto Vernor Highway, south on Junction, and west on Fort to access I-75 southbound.
- Northbound I-75 traffic will be detoured west on Fort Street and north to Clark Street, to access I-75 northbound.

The following road closures are in place;

- Waterman Street between northbound and southbound I-75 Service Drives
- Dragoon Street between Fort Street and the southbound I-75 Service Drive
- Green Street between Fort Street and the southbound I-75 Service Drive. Additionally, these closures will enable the opening of the new Livernois Avenue and Springwells Street road bridges.

Detour routes are in place and include the following:

- The primary detour route for motorists to cross over I-75 includes the use of the Livernois, Springwells or Junction Street road bridges, in place of the Green, Waterman and Dragoon road bridges. Travelers wishing to access I-75 northbound or southbound, will be detoured to West Vernor Highway or Fort Street, depending on their directional travel needs.
