Construction Activities - United States

Week of May 10, 2021

Michigan Interchange I-75 Closures

As construction of the Michigan Interchange begins, Bridging North America will temporarily implement partial closures on the following streets for construction activities:

- All lanes on the southbound Service Drive will close between Green Street and Govin Street, beginning Tuesday, February 11, 2020. The closure will be in place for approximately eight months to accommodate for excavation, freeway widening and ramp/embankment construction. Access to Springwells Street businesses and adjacent residential roadways will be available via Green Street to W. Lafayette Blvd and from Springwells Street southbound.

Springwells Street - **NEW**

- Northbound Springwells Street will close between southbound I-75 Service Drive and Olivet Street until May 28, 2021, daily as needed.
- Southbound Springwells Street will close between southbound I-75 Service Drive and Olivet Street until May 28, 2021, daily as needed.

Olivet Street - **NEW**

- Eastbound Olivet Street will close between 125' west of Springwells Street to Springwells Street until May 28, 2021, daily as needed.
- Westbound Olivet Street will close between 125' west of Springwells Street to Springwells Street until May 28, 2021, daily as needed.

Springwells Court - **NEW**

- The southbound Springwells Court right shoulder between the Aggregate Drive and 300 feet north of it will remain closed until May 20, 2021.

West End Street

- West End Street will be closed between Fort Street and Melville Street until May 17, 2021. Local traffic will have access to West End Street between Norfolk Southern Railroad to Melville Street.

Michigan Interchange I-75 Closures

Post Street

- Post Street will close over a long-term period between CSX Railroad and the Delray Mechanical entrance starting at 8 a.m. on February 1, 2021.

Fort Street

- Traffic on Fort Street between northbound I-75 Service Drive and Central Avenue will be reduced to one lane in each direction for westbound and eastbound traffic until May 17, 2021.

I-75 Service Drive

- Bridging North America (BNA) will temporarily implement mobile closures on northbound and southbound I-75 Service Drives between Clark Street and Green Street starting January 18 to May 31, 2021, between 6 a.m. and 6 p.m. as needed. Only one lane will close. Closures will be less than 30 minutes in duration during these timeframes for mobilization and demobilization of equipment activities.

- BNA will temporarily implement mobile closures on northbound and southbound I-75 Service Drives between Schaefer Avenue and Michigan Avenue starting April 22 to December 3, 2021, between 7 a.m. and 4 p.m. as needed. Only one lane will close. Closures will be less than 30 minutes in duration during these timeframes for mobilization and demobilization of equipment activities.

- I-75 Service Drive in both directions will close between Clark Street and Dragoon Street until June 15, 2022. Junction Street will remain open to through traffic.

I-75 Southbound

- The right lane of southbound I-75 will close between Bagley Avenue and McKinstry Street until June 30, 2021.
- The Vernor Highway on-ramp to southbound I-75 is closed until July 7, 2021.
