

# Gordie Howe International Bridge

## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of September 6, 2016

#### Demolition Activity

Demolition work will occur on S. Livernois Avenue (between South Street and W. Jefferson Avenue) and on Military Street (between Fort Street and I-75). The roads will remain open and the work is not expected to impact traffic.

#### Preliminary Site Investigation (PSI)

PSI work will occur on S. Post Street (between W. Jefferson Avenue and South Street), on Cavalry Street (between Lafayette Boulevard and I-75) and on South Street (between Harrington Street and Post Street). The roads will remain open and the work is not expected to impact traffic.

#### Survey Activity

There is no survey work currently planned.

#### Utility Work

There is no utility work currently planned.

#### Temporary Road Closures

There are no road closures currently planned.
