

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of November 21, 2016

Demolition Activity

Demolition will occur on the Southbound I-75 Service Drive (between Livernois Avenue and Crawford Street). The road will remain open and this work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work will occur on W. Jefferson Avenue (between Crawford Street and Livernois Avenue) and on Buelow Court near Livernois Avenue. The roads will remain open and this work is not expected to impact traffic.

Survey Activity

There is no survey work currently planned.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures currently planned.
