

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of December 12, 2016

Demolition Activity

Demolition work will occur on S. Waterman Street (between South Street and W. Jefferson Avenue). The road will remain open and this work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work will occur on Rademacher Street (between Fort Street and South Street). The road will remain open and this work is not expected to impact traffic.

Survey Activity Work

There is no survey work currently planned.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures currently planned.
