

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of February 6, 2017

Demolition Activity

Demolition will occur on the Southbound I-75 Service Drive (between Campbell Street and Cavalry Street), on Crawford Street (between Holly Street and W Jefferson Avenue), on Post Street (between South Street and Gould Street), on Rademacher Street (between South Street and W. Jefferson Avenue) and on Schroeder Street (between Holly Street and W Jefferson Avenue). The roads will remain open and this work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

There is no preliminary site investigation work currently planned.

Survey Activity Work

Survey work will occur between the northbound and southbound I-75 Service Drive (between Springwells Street and Clark Street), W. Jefferson Ave., (between Harrington Street and S. Rademacher). The Detroit River and W. Jefferson Avenue. The roads will remain open and this work is not expected to impact traffic.

Utility Work

There is no utility work currently planned.

Temporary Road Closures

There are no road closures related to the Gordie Howe International Bridge project.
