

# Gordie Howe International Bridge

## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of March 6, 2017

#### Demolition Activity

Demolition work will occur on Schroeder Street (between South Street and W. Jefferson Avenue), on Post Street (between South Street and W. Jefferson Avenue), on Harrington Street (between South Street and W. Jefferson Avenue), on the Southbound I-75 Service Drive (between Govin Street and Springwells Street), on Wilde St. (near the intersection of the southbound I-75 Service Drive), on Dragoon Street (between South Street and W. Jefferson Avenue), on Hussar Street (between Cavalry Street and Military Street), on Crawford Street (between South Street and W. Jefferson Avenue), on South Street (between Crawford Street and Livernois Avenue), on Rademacher Street (between South Street and W. Jefferson Avenue), and on Waterman Street (between South Street and W. Jefferson Avenue). The roads will remain open and this work is not expected to impact traffic.

#### Preliminary Site Investigation (PSI)

PSI work will occur on Dragoon Street (between Fort Street and South Street), and on Military Street (between Fort Street and W. Jefferson Avenue). The roads will remain open and this work is not expected to impact traffic.

#### Survey Activity Work

Survey work will occur in the area bounded by Springwells Street, Lafayette Boulevard, Fort Street and Clark Street, and in the area bounded by W. Jefferson Avenue, South Street, Green Street and Post Street. The roads will remain open and this work is not expected to impact traffic.

#### Temporary Road Closures

There are no road closures related to the Gordie Howe International Bridge project.

Storm sewer cleaning will occur on the northbound and southbound service drives at Military Street and McKinstry Street. This work is expected to have single lane closures on the service drives.
