

# Gordie Howe International Bridge

## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of March 27, 2017

#### Demolition Activity

Demolition will occur on Reid Street (between Holly Street and W. Jefferson Avenue), on Post Street (between South Street and W. Jefferson Avenue), on Military Street (between Fort Street and W. Jefferson Avenue), on Waterman Street (between South Street and W. Jefferson Avenue), and on Lewerenz Street (between I-75 and Lafayette Boulevard). The roads will remain open and this work is not expected to impact traffic.

#### Preliminary Site Investigation (PSI)

PSI work is not anticipated to occur between March 27, 2017 and March 31, 2017.

#### Survey Activity Work

Survey work will occur along the northbound and southbound I-75 Service Drives (between Springwells Street and Clark Street), along Post Street (from W. Jefferson Avenue to South Street), and along Green Street (from W. Jefferson Avenue to South Street). The roads will remain open and this work is not expected to impact traffic.

#### Temporary Road Closures

There are no road closures related to the Gordie Howe International Bridge project.

Storm sewer cleaning may occur on the northbound and southbound service drives at Military Street and Waterman Street. This work is expected to have single lane closures on the service drives.
