

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of April 17, 2017

Demolition Activity

Building demolition will occur along Reeder Street (between Cavalry Street and Campbell Street), along Military Street (between Fort Street and W. Jefferson Avenue), along Waterman Street (between South Street and W. Jefferson Avenue), along Rademacher Street (between South Street and W. Jefferson Avenue), along Schroeder Street (between South Street and W. Jefferson Avenue), along Post Street (between South Street and W. Jefferson Avenue), along Harrington Street (between South Street and W. Jefferson Avenue), along the Southbound I-75 Service Drive (between Govin Street and Springwells Street), along Wilde Street (near its intersection with the Southbound I-75 Service Drive), along Dragoon Street (between South Street and W. Jefferson Avenue), and along the Southbound I-75 Service Drive (between Lansing Street and McKinstry Street). The roads will remain open and this work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

PSI work is not anticipated to occur between April 17, 2017 and April 21, 2017.

Survey Activity Work

Survey work will occur in the area bound by Fort Street, Clark Street, the Southbound I-75 Service Drive and Springwells Street. The roads will remain open and this work is not expected to impact traffic.

Temporary Road Closures

There are no road closures related to the Gordie Howe International Bridge project.

Sewer cleaning will occur along McKinstry Street (between W. Jefferson Avenue and I-75), along Waterman Street (between W. Jefferson Avenue and I-75), along Schroeder Street (between W. Jefferson Avenue and South Street), and along Campbell Street (between Jefferson and I-75). This work is expected to have single lane closures on the local roads.
