Michigan Interchange I-75 Closures

EMERGENCY DETOUR ALERT: Bridging North America (BNA) has implemented a new detour on Woodmere Street in response to the emergency closure of the Fort Street and Dearborn Street intersection. Northbound motorists heading toward Springwells Street northbound will be detoured to Fort Street eastbound/Melville Street eastbound, south on Green Street southbound, west on Jefferson Avenue westbound, north on Dearborn Street northbound, north on Woodmere Street, east on Vernor Highway eastbound, and then Springwells Street.

Fort Street

- The existing mobile closure on Fort Street between Springwells Street and Clark Street will remain in place until June 30, 2023, from 9 a.m. to 2 p.m. daily as needed.
- The existing parking lane closure on westbound Fort Street between Dragoon Street and Military Street will remain in place until further notice.

Jefferson Avenue

- The existing traffic shift on eastbound Jefferson Avenue to westbound Jefferson Avenue will remain in place until June 19, 2023, for curb reconstruction work.

Green Street

- The existing closure on Green Street between Fort Street and southbound I-75 Service Drive will remain in place until further notice.

Junction Street

- The existing lane closures on northbound and southbound Junction Street between Fort Street and the northbound I-75 Service Drive will be extended until further notice from 9 a.m. to 3 p.m. daily as needed.
- Two-way traffic will be maintained for Junction Street between Fort Street and the northbound I-75 Service Drive until further notice from 9 a.m. to 3 p.m. daily as needed.
- The lane closures will not impact trash pick-up, mail delivery or access to businesses, residences, garages or driveways. Parking will not be available on northbound and southbound Junction Street between Fort Street and the northbound I-75 Service Drive until further notice from 9 a.m. to 3 p.m. daily as needed.

Michigan Interchange I-75 Closures

I-75 Service Drive

- Existing mobile closures on the northbound and southbound I-75 Service Drives between Clark Street and Green Streets, and Springwells and Central Streets will remain in place until further notice. Closures will be in place from 6 a.m. - 6 p.m. daily as needed. Only one lane will close. Closures will be less than 30 minutes in duration during these timeframes for mobilization and demobilization of equipment activities.
- The existing mobile closures along northbound and southbound I-75 between Schaefer Avenue and Michigan Avenue will remain in place until April 28, 2023, from 7 a.m. – 6 p.m. daily as needed.
- Northbound and southbound I-75 Service Drive will close over a long-term period between Green Street and Waterman Street. Combined with pre-existing Service Drive closures in the area will make the entire northbound and southbound Service Drive closed from Springwells Street to Clark Street.
- The left lane on southbound I-75 Service Drive will close between southbound I-75 and the Clark Street off-ramp to Hubbard Street from January 23 - June 30, 2023.
- The left lane on southbound I-75 Service Drive will close between Clark Street and the southbound I-75 off-ramp from January 23 - June 30, 2023.
- The left lane of southbound I-75 Service Drive will remain closed between Witt Street and Govin Street until further notice.

The following road closures are in place:

- Waterman Street between northbound and southbound I-75 Service Drive
- Dragoon Street between Fort Street and the southbound I-75 Service Drive
- Green Street between Fort Street and the southbound I-75 Service Drive
- The existing closures on northbound and southbound I-75 Service Drives between Dragoon Street and Clark Street will remain in place until June 30, 2023, to support ongoing siphon construction.
- The existing closure on northbound I-75 Service Drive between Rademacher Street and Dragoon Street will remain in place until June 30, 2023, to complete the realignment and reconstruction of the northbound I-75 Service Drive.
- The existing southbound I-75 Service Drive closure between Waterman Street and Dragoon Street will remain in place until June 30, 2023, to complete the realignment and reconstruction of the northbound and southbound I-75 Service Drives.

Long Term I-75 Closures

As construction of the Michigan Interchange and the US Port of Entry (POE) continues, Bridging North America will extend the temporary closures along Livernois Avenue. Additionally, Cavalry Street and Military Street will remain closed over a long-term period. As a reminder, in July 2020, several streets closed over a long-term period including sections of Dragoon Street, Driggs Street, Harvey Street, Reeder Street and Hussar Street.

Junction Street

- Junction Street bridge between the northbound and southbound I-75 Service Drives will close over a long-term period.

Springwells Court

- Springwells Court northbound and southbound is closed west of the Lafarge entrance to east of the Springwells Court detour from May 15, 2021 until November 23, 2024.

Cavalry Street

- Cavalry Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Military Street

- Military Street will remain closed between the northbound I-75 Service Drive and Fort Street.

Post Street

- Post Street remains closed over a long-term period between CSX Railroad and the Delray Mechanical entrance.

Campbell Street

- The existing long-term closure on Campbell Street between West Jefferson Avenue and Fort Street will remain in place until May 31, 2023.

Construction Activities - United States

Week of April 17, 2023

Construction Activities

US Port of Entry (POE)

- **Earthwork/Utilities:** Installation continued for underground wet and dry utilities.
- **Commercial Building:** Formed generator load bank and stoops. Pull branch wire, feeder cable, branch conduit and fire caulking. Installed ceiling grid and light fixture at truck docks.
- **Main Building:** Team continued glass glazing and caulking, sanitary and domestic water installation and framing and drywall installation.
- **Outbound Building:** Installed overhead conduits, electric panels, fire stops and plumbing equipment.
- **Pedestrian Building:** Installed above-ground piping, overhead conduit, hangers and ducts.

US Bridge site

- Cap construction continued at anchor pier.
- Rebar installation ongoing for tower upper pylon construction.
- Installation of main span segment panels continued.
- Stay cable installation work continues.
- Approach and back span activities are ongoing.

Michigan Interchange

- **Structures:** Strip pier cap and shoring work continued. Form and rebar wall work continued. Pour Wall work began.
- **Roadways:** Green Street reconstruction included removing pavement, cutting to subgrade and installing underdrains. On Jefferson Avenue, sidewalk aggregate was placed and sidewalks and curbs were set.
- **Noise walls:** Shafts were poured on southbound Waterman Street.
- **Siphons:** At northbound Campbell Street, the project team poured infill at diversion chamber. Crews set pipe and backfill at northbound Military Street. At southbound Military Street, crews excavated inside sheets.
