

GORDIE HOWE INTERNATIONAL BRIDGE

Construction Activities: Canada

Week of February 4, 2019

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Construction Activities

- Crews will continue survey and soil boring work in the area of what will be the future CA POE. As work advances, crews will begin install fencing, erosion and sediment controls, clearing and grubbing, earth work and establish construction entrances/exits.
- Construction of a new sanitary pumping station (west of Sandwich Street near Chappus Street) is ongoing.
- Hydro One TX utility relocation work is ongoing along with Enwin utility work.

Road Closures & Detours

- Overpass work over Ojibway Parkway being undertaken by the Ontario Ministry of Transportation (MTO) is ongoing. Questions related to this work should be directed to MTO at 519-873-4793 or by email to Nasser.Shahatto@ontario.ca
- Ojibway Parkway, north of its intersection with Broadway Blvd, to south of its intersection with EC Row will be closed overnight from 10:00 p.m. to 6:00 a.m. from February 4-7 for MTO overpass work. Surrounding local roadways such as Sprucewood Ave, Matchette Rd, Broadway Blvd, Sandwich St, Prince Rd and EC Row will remain open.
- Sandwich Street (from McKee Street to Broadway Street) is closed. Local businesses remain open and may be accessed through Broadway Street via Ojibway Parkway.
