

Gordie Howe International Bridge

Construction Activities: Canada

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of November 27, 2017

Perimeter Access Road (PAR)

Work on the PAR is ongoing.

Construction Activity

Construction of a new sanitary pumping station is ongoing (west of Sandwich Street near Chappus Street). Embankment work will occur on both sides of Ojibway Parkway near Broadway Street until December 15, 2017. This work is not anticipated to impact traffic.

Utility Work

Utility distribution work along Broadway Street is ongoing until the end of November 2017. Utility transmission work is ongoing until December 2017.

Temporary Road Closures

Broadway Street (from Linsell Avenue to Sandwich Street) and Sandwich Street (from Chappus Street to Broadway Street) will be closed to traffic until December 30, 2017.

For more details about these road closures, please visit the City of Windsor website: www.citywindsor.ca/residents/Construction/Pages/Construction-Projects.aspx
