

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of February 27, 2017

Demolition Activity

Demolition will occur Military Street (between W. Jefferson Avenue and Fort Street), on Rademacher Street (between South Street and W. Jefferson Avenue), on Fort Street (between Crawford Street and Livernois Avenue), on Livernois Avenue (between Holly Street and W. Jefferson Avenue), on Cavalry Street (between Driggs Street and W. Jefferson Avenue), on Crawford Street (between South Street and W. Jefferson Avenue), on South Street (between Livernois Avenue and Crawford Street), and on Waterman Street (between South Street and W. Jefferson Avenue). The roads will remain open and this work is not expected to impact traffic.

Preliminary Site Investigation (PSI)

There is no preliminary site investigation work currently planned.

Survey Activity Work

Survey work will occur in the area bounded by Springwells Street, Lafayette Boulevard, Fort Street and Clark Street, and in the area bounded by W. Jefferson Avenue, South Street, Green Street and Post Street. The roads will remain open and this work is not expected to impact traffic.

Temporary Road Closures

There are no road closures related to the Gordie Howe International Bridge project.
