

# Gordie Howe International Bridge

## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of October 9, 2017

#### Demolition Activity

Building demolition work is currently planned to occur along Military Street, Fort Street (between Cavalry Street and Campbell Street), Fort Street (between Livernois Avenue and Dragoon Street), Jefferson Avenue (between Rademacher Street and Reid Street), Jefferson Avenue (between Cavalry Street and Military Street), Southbound I-75 Service Drive (between Campbell Street and Junction Street), Cavalry Street near the northbound I-75 Service Drive, Cavalry Street (between Driggs Street and Harvey Street), Crawford Street (between Holly Street and Jefferson Avenue), Reid Street, Waterman Street and Rademacher Street. This work is not anticipated to impact traffic.

#### Preliminary Site Investigation (PSI)

No PSI work is anticipated this week.

#### Survey Activity Work

No survey field work is planned for this week.

#### Temporary Road Closures

Utility work is expected along the Northbound and Southbound I-75 Service Drives (between Rademacher Street and Waterman Street), Junction Street (between Driggs Street and Fort Street), and Rademacher Street (between W. Jefferson Avenue and I-75). Intermittent lane closures are anticipated at these locations.
