

# Gordie Howe International Bridge

## Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

### Week of October 23, 2017

#### Demolition Activity

Building demolition work is currently planned to occur along Campbell Street (between Lauderdale Street and Driggs Street), W. Jefferson Avenue (between Cavalry Street and Military Street), W. Jefferson Avenue (between Post Street and Springwells Court), Crawford Street (between Holly Street and W. Jefferson Avenue), Military Street (between W. Fort Street and W. Jefferson Avenue), Harrington Street (between Gould Street and W. Jefferson Avenue), Fort Street (between Campbell Street and Dragoon Street), Dragoon Street (between I-75 and Fort Street), Southbound I-75 Service Drive (between Junction Street and Cavalry Street) and South Street (between Rademacher Street and Crawford Street). This work is not anticipated to impact traffic.

#### Preliminary Site Investigation (PSI)

PSI work is anticipated along Reeder Street (between Cavalry Street and Campbell Street), W. Jefferson Avenue (between Cavalry Street and Campbell Street), Clark Street (between I-75 and Fort Street), Military Street (between Fort Street and the railroad tracks), Green Street (between I-75 and Fort Street) and Fort Street (between Dragoon Street and Military Street). This work is not anticipated to impact traffic.

#### Survey Activity Work

No survey field work is planned.

#### Temporary Road Closures

Utility work is expected along Livernois Avenue (between Fort Street and the railroad tracks), along Rademacher Street (between Southbound I-75 Service Drive and Fort Street) and at the intersection of Junction Street and Fort Street. Intermittent lane closures are anticipated at these locations.
