

Gordie Howe International Bridge

Construction Activities: United States

Dates and times provided below may change due to weather conditions and other factors affecting construction activities. Although this list is intended to be comprehensive, unavoidable emergency road detours and road closures may occur. Please watch for workers along this corridor. We apologize for any inconvenience and thank you for your patience.

Week of April 9, 2018

Demolition Activity

Building demolition work is currently planned to occur along W. Fisher Fwy. (between Campbell Street and Junction Street), along W. Fisher Fwy. (between Cavalry Street and Campbell Street), along S. Rademacher Street (between South Street and W. Jefferson Avenue), along Solvay Street (between W. Lafayette Blvd. and W. Fisher Fwy.), along Rademacher Street (between W. Lafayette Blvd. and W. Fisher Fwy.), along Military Street (between W. Fisher Fwy. and W. Fort Street), along Campbell Street (between Amherst Street and W. Fisher Fwy.) and along W. Fisher Fwy. (between Morrell Street and Junction Street). Intermittent lane closures are expected along W. Fisher Fwy. Service Drive.

Tree cutting and clearing will continue throughout the footprint.

Preliminary Site Investigation (PSI)

PSI work is scheduled to occur along W. Jefferson Avenue (between Schroeder Street and S. Post Street), along S. Post Street (between South Street and W. Jefferson Avenue), along W. Fort Street (between Crawford Street and Casgrain Street), along Livernois Avenue (between South Street and the Railroad tracks) and along the alley south of Fisher Fwy (between Casgrain Street and Rademacher Street). This work is not anticipated to impact traffic.

Survey Activity Work

No survey field work is planned. Contingency survey work may also occur at other sites throughout the footprint. No lane closures are expected.

Utility Work

Intermittent lane closures possible within the footprint for manhole work and cable removals. Miscellaneous debris will also be picked up throughout the footprint.
