

# PONT INTERNATIONAL GORDIE HOWE INTERNATIONAL BRIDGE

Good afternoon,

Here are a few things we wanted you to know about:

### Community Organization Investment Deadline Approaching

There is only one week left to apply for the Community Organization Investment. Non-profit or charitable organizations could receive funding that will benefit West Windsor or Southwest Detroit. [Apply now.](#)

Read a spotlight story about the Community Organization Investment [here.](#)

## COMMUNITY ORGANIZATION INVESTMENT APPLICATIONS NOW OPEN

Applications are open for the **2021 Community Organization Investment** as part of the Community Benefits Plan to support eligible organizations located in or servicing west Windsor/Sandwich or southwest Detroit/Delray.

This is an annual **\$50,000 (CDN)** investment allowance to be made available from **2020 to 2024** to eligible organizations.

**Applications will be accepted until January 27, 2021**

Learn more and apply at [GordieHoweInternationalBridge.com](http://GordieHoweInternationalBridge.com)

### NEW Photo Galleries

Over the next few weeks we will be posting new galleries on our website of the progress being made on the Gordie Howe International Bridge Project. Check out the Michigan Interchange gallery [here.](#) Stay tuned for the US Port of Entry gallery coming soon!

### Traffic Disruptions In Southwest Detroit

Last week, Bridging North America notified you of upcoming long-term closures on I-75 northbound and I-75 southbound. The closures, while very similar, have since changed and are detailed below.

#### Northbound I-75 Closures

- Three right lanes will close on northbound I-75 from Harbaugh Street to Clark Street on January 29 - 30, 2021.
- Three left lanes will close on northbound I-75 from Harbaugh Street to Clark Street on January 30 - 31, 2021.
- The left lane will close on northbound I-75 between Harbaugh Street and Clark Street from January 30, 2021, to January 31, 2022.

#### Southbound I-75 Closures

- The right lane of southbound I-75 will close between Bagley Avenue and McKinstry Street from January 25 - June 30, 2021.
- Three right lanes will close from Lansing Street to Springwells Street from February 5 - 6, 2021.
- Three left lanes will close on Southbound I-75 from Lansing Street to Springwells Street from February 6 - 7, 2021.
- The left lane of southbound I-75 will close between Springwells Street and McKinstry Street from February 7, 2021, to January 31, 2022.

### Junction Street

Bridging North America will extend the temporary closure at Junction Street to support the watermain relocation work. Junction Street will remain closed at the southbound I-75 Service Drive until January 29, 2021.

### Detour Routes

- Southbound Junction Street traffic heading to southbound Junction will be detoured to Vernor Highway westbound, turn left on Livernois Avenue heading southbound, turn right on to Southbound I-75 Service Drive, then turn left on Waterman southbound, turn left to Fort Street eastbound, then to Junction Street.
- Northbound Junction traffic heading to northbound Junction will be detoured to take Southbound I-75 Service Drive, turn right on Dagoon Northbound, turn right on Vernor Highway eastbound, then to Junction Street.

### I-75 Service Drive

Bridging North America will temporarily implement mobile closures on northbound and southbound I-75 Service Drives between Clark Street and Green Street starting January 18 – May 31, 2021, between 6 a.m. and 6 p.m. as needed. Only one lane will close. Closures will be less than 30 minutes in duration during these timeframes for mobilization and demobilization of equipment activities.

The following streets will be closed to through traffic at southbound I-75 Service Drive from January 22 - 29, 2021, from 7 a.m. – 6 p.m. daily as needed:

- Morrell Street
- Ferdinand Street
- Lansing Street
- McKinstry Street

The right lane of the southbound I-75 Service Drive will be closed from January 22 - 29, 2021, from 7 a.m. – 6 p.m. daily as needed, in the following locations:

- between Morrell Street and Ferdinand Street
- between Morrell Street and Lansing Street
- Ferdinand Street and McKinstry Street
- Lansing Street and Clark Street

Additional information about Michigan Interchange work and full details about upcoming road closures can be found by visiting the project website [www.GordieHoweInternationalBridge.com](http://www.GordieHoweInternationalBridge.com).

### School is Back in Session

There's plenty of fun and educational games in our Kid Construction Zone. See if you are smarter than a first grader in our first Kids Zone [Quiz.](#)

Name the construction equipment in the picture.

- a. Backhoe
- b. Front Shovel

- c. Excavator
- d. Crane
