

PONT INTERNATIONAL GORDIE HOWE INTERNATIONAL BRIDGE

Good afternoon,

Here are a few things we wanted you to know about:

New Photo Galleries

We have posted new galleries of Canadian and US project components on the Gordie Howe International Bridge project [website](#). Keep an eye out for a Michigan Interchange gallery to be posted next week.

New Drone Footage

Check out this NEW flyover drone footage from the US Gordie Howe International Bridge project site.

Upcoming Traffic Disruptions in Southwest Detroit

As construction of the Michigan Interchange continues, Bridging North America will temporarily close lanes on Springwells Street to support the reconstruction of the pavement.

April 30 – May 4, 2021

- Northbound Springwells Street will close between southbound I-75 Service Drive and Olivet Street, daily as needed.

May 5 – 6, 2021

- Southbound Springwells Street will close between southbound I-75 Service Drive and Olivet Street, daily as needed.

May 5 – 6, 2021

- Eastbound Olivet Street will close between 125' west of Springwells Street to Springwells Street, daily as needed.

May 7-10, 2021

- Westbound Olivet Street will close between 125' west of Springwells Street to Springwells Street, daily as needed.

Long-Term Closures

As construction of the Michigan Interchange continues, Bridging North America will temporarily close the following lane on I-75 to support the reconstruction of the Clark Street Bridge:

April 25, 2021

The left lane of southbound I-75 will close between Bagley Avenue and Junction Street from April 25, 2021, to January 31, 2022. View the [public notice](#) for additional details.

As construction of the US Bridge continues, Bridging North America will temporarily close Springwells Court. This closure is required to support construction works for the United States Bridge to Canada.

May 14, 2021

Springwells Court northbound and southbound will close west of the Lafarge entrance to east of the Springwells Court detour from May 14, 2021 - November 23, 2024. View the [public notice](#) for additional details.

Additional information about ongoing work and full details about upcoming road closures can be found by visiting the project website www.GordieHoweInternationalBridge.com.
