

# PONT INTERNATIONAL GORDIE HOWE INTERNATIONAL BRIDGE

*Cette publication est également disponible en français sur demande.*

Good afternoon,

Here are a few things we wanted you to know about:

### Virtual Community Meeting

Join us online for a Community Meeting, June 22, 2021, to hear the latest updates on design and construction progress on the Canadian and US project components, along with highlights from Community Benefits Plan implementation.

ONLINE COMMUNITY MEETING

Tuesday, June 22, 2021  
3:00pm - 4:00pm  
www.facebook.com/GordieHoweBridge

Questions will be accepted in advance, during, and following the live Facebook event. To submit your questions in advance, email us no later than June 18, 2021 at [info@wdbridge.com](mailto:info@wdbridge.com).

### Virtual Meet A Machine Event

This year's City of Windsor Meet a Machine event is virtual. From June 6–12, 2021, children and families will have access to activities and programming through social media. Follow <https://www.facebook.com/weearlyon> and look for the Gordie Howe International Bridge project kid-friendly video featuring the tower crane.

VIRTUAL  
MEET A  
MACHINE  
2021

Join us in the month of June for exciting interactive virtual experiences and messages from Machine Operators in our community!

#WEmeetamachine

### New Walkway Allows for Tower Construction

As the towers for the new Gordie Howe International Bridge soar, so too does a walkway connecting the tower legs. [Read more](#) on how it is essential to the construction process.

### Traffic Disruptions in Southwest Detroit

As construction of the Michigan Interchange continues, Bridging North America will implement the following closures:

#### Springwells Street

The following closures have been extended until June 14, 2021:

- Northbound Springwells Street will close daily between southbound I-75 Service Drive and Olivet Street as needed.
- Southbound Springwells Street will close daily between southbound I-75 Service Drive and Olivet Street as needed.
- Eastbound Olivet Street will close daily between 125' West of Springwells Street to Springwells Street as needed.
- Westbound Olivet Street will close daily between 125' West of Springwells Street to Springwells Street as needed.

The following closures have been extended and will remain in place until August 6, 2021.

- All lanes of the Springwells Street on/exit ramp at northbound I-75.
- All lanes of the Springwells Street on/exit ramp at southbound I-75.

#### I-75 Service Drive

The following closures have been extended and will remain in place until August 6, 2021.

- Southbound I-75 Service Drive will close between Wheelock Street and Govin Street.
- Northbound I-75 Service Drive will close between Wheelock Street and Springwells exit ramp.

Bridging North America will temporarily extend mobile closures on Northbound and Southbound I-75 Service Drives between Clark Street and Green Street until November 30, 2021, between 6am and 6pm as needed.

- Only one lane will close. Closures will be less than 30 minutes in duration during these timeframes for mobilization and demobilization of equipment activities.

For a full listing of road closures visit: [GordieHoweInternationalBridge.com/en/road-closures](http://GordieHoweInternationalBridge.com/en/road-closures).

TRAFFIC  
ALERT
